Appendix I Speaker Information

Dr. Aimee Velnoweth

Dr Aimee Velnoweth, practice owner of Mind and Matter: Clinical and Neuropsychology Services is a dual endorsed Clinical Neuropsychologist and Clinical Psychologist with 15 years of experience in providing both assessments and psychotherapeutic interventions to adults and older adults. In addition to private practice, she has worked across a diverse range of settings including public hospital inpatient, outpatient and community-based mental health treatment. Client populations include neurodegenerative conditions, all acquired brain injuries, neurodiversity, military veterans and broader adult and older adult mental health concerns. She is a registered supervisor for Clinical Psychologists and Clinical Neuropsychologists. She also lectures at local Universities and runs professional development opportunities.

Important Notes to Participants

1. Admission is on a first-come, first-served basis. Enrolment will be confirmed once you have made the payment. You will receive a payment confirmation after payment has been made successfully. You are advised to keep your payment confirmation for future enquiries.
2. Fees paid are not refundable regardless of whether the applicant has or has not attended the classes. Should there be any exceptional personal circumstance(s), please kindly appeal in writing. It is subject to the Association's discretion. In such occasion, an administrative charge equivalent to 15% of the application fee will be charged. Should there be any course cancellation due to unforeseeable circumstances, refund after deducting administrative charges from third parties, e.g. PayPal, can be arranged.
3. Fees on courses cannot be transferred. Once accepted to a course, the studentship cannot be changed to another one. In case of exceptional personal circumstance(s), please kindly apply in writing and refund is subject to HKOTA approval.
4. Should the applicant fail to comply with the payment and refund policy, his/ her enrollment to subsequent HKOTA courses will be affected.
